

Chatham Public Library

Equipment Loan Policy

The mission of the Chatham Public Library is to inspire lifelong learning, advance knowledge, and strengthen and serve our community. To that end, the library loans equipment that will allow Chatham residents to explore the expanding world of information, in the various formats that are available.

The library has available for loan, to individual patrons and non-profit organizations, audio-visual equipment, game equipment, and e-reader devices. This same policy will apply to future equipment acquisitions.

The equipment can be loaned to Chatham Public Library cardholders whose library accounts are in good standing. The borrowing patron or organization is required to sign an Equipment Loan Agreement.
